Dear Judge Koeltl,

I was a juror in last week's case Alicea vs. Arico et al. This was my 3rd time serving as a juror, and I wanted to take a minute to thank you for creating such a professionally run courtroom and for taking the time to explain things to the jury. You always kept things moving quickly, and I appreciate that.

But the main reason for my note is to thank you for always sending coffee, tea & danish to the jury room. I know the govt doesn't provide that, so thank you.

Regards,  
Alan
